

Special Constable Recruitment

The Met Police covering the Royal Parks are recruiting for Special Constables to be based at Richmond (covering Bushy), or Greenwich parks.

Could you offer your park 16 hours a month? You will be joining dedicated, enthusiastic policing teams providing coverage to all Royal Parks and provided all the training and equipment you require for your role.

You will learn how to manage anti social behaviour and crime, and be a key part of the team ensuring your park is safe.

As well as policing your assigned parks, there are opportunities for those willing to carry out work centrally – including major ceremonial events and concerts.

Contact the Special Inspector for Royal Parks for a friendly chat:
